

Covid-19 Addendum to SEND information report

During the coronavirus lockdown, Devonshire Academies have been providing on line learning for those children working at home.

Additional support for those that need it has included:

- Practical resources and activities delivered to homes for those that need them
- Sensory resources delivered to homes
- Calls from SENCO or pastoral leads for those that want or need this
- Telephone advice for those that request it
- Sensory advice sheets and activities emailed to parents
- Links to other online activities and learning emailed to parents
- Opportunities to have virtual support from Speech and language for those on the case load
- Opportunities to have virtual support from the Sensory OT for those on the case load
- Ongoing liaison with outside agencies regarding children's need

Annual reviews and Community Assessment Meetings (CAMs) have been taking place virtually
